

Valley Jazz Cooperative Audition Materials *for Trombone*

PLEASE READ CAREFULLY. Thank you!

Thank you for your interest in VJC ensembles. We are delighted you plan to audition for one or more of our groups. Our annual audition calendar features **combo auditions in August/September**. Then the entire program *resets* with **big band auditions in November/December**.

Please note that different programs (combos vs. big bands) have different audition requirements. This packet contains all the materials needed for *any* type of VJC ensemble audition. But please know you would never have to play all the pieces found here in any single audition. Read carefully below to understand precisely what you need to prepare for your upcoming VJC audition.

For All VJC Auditions (Combos and/or Big Bands), please prepare:

- 1) Major and minor scale performance (ascending and descending, two octaves where possible/comfortable for the student).
- 2) Range demonstration (helpful in selecting appropriate repertoire for groups, but not a determining factor in program acceptance).

In addition, for VJC Combo Auditions, please prepare:

1) One or both of the (bass clef) lead sheets found in this packet (compositions entitled *VJC Blues* and *Framer of Thy Song*). Be able to play the melody and improvise over the chord progression shown. It is completely your choice whether to prepare one or both pieces.

Also, please note that concert lead sheets for both pieces have been included in the packet, should you want to play or practice on either one with a live rhythm section (perhaps classmates from your own school's jazz program).

In addition, for VJC Big Band Auditions, please prepare:

1) There are three written excerpts from the big band chart *Percolate(r)*. For prospective lead trombonists, those are labeled **A**, **B**, and **C1**. For prospective section trombonists, they are labeled **A**, **B**, and **C2**. Select any two of those three excerpts---your choice---to play for the audition.

1A) As an alternate option, anyone trying out for AZ All-State Jazz Ensembles may substitute *those* audition materials (provided by ABODA) for the *Percolate(r)* excerpts listed above.

2) ***OPTIONAL AUDITION COMPONENT*** --- Improvisation on one of the two basic chord progressions shown: Bb Blues or **ii - V7 - I** progressions (*similar to changes to Tune Up by Miles Davis*).

Please note if you do not yet feel comfortable improvising, don't let that stop you from auditioning. Again, demonstration of improvisation skills (for VJC big bands) is optional.

On VJC audition days, please have your instrument out, warmed up, and ready to go by the start of your assigned audition time, so that we may stay on schedule throughout the process. Thank you.

Finally, please contact the VJC Director, Russell Schmidt (email: **Russ@ValleyJazz.org**) with any additional questions you may have about the audition process. And thank you again for your interest in the Valley Jazz Cooperative. We look forward to hearing you soon!

Valley Jazz Cooperative Trombone* Audition Materials *(for big band)*

[loosely based on materials from *Percolate(r)*, composed by Russell Schmidt]

A ♩ = 120 (*Swing 8ths*)

B ♩ = 160 (*Straight 8ths*)

[illegible]

**Please note there is a separate packet available for bass trombone.*

Original materials extracted from *Percolate(r)* - Copyright ©2013 - Russell Schmidt
This edition - Copyright ©2016 - Russell Schmidt (for the exclusive use of Valley Jazz Cooperative)

Valley Jazz Cooperative Trombone Audition Materials (for big band ... page 2)

C1 (for lead
trombonists)

♩ = 108 (Swing 8ths)

First system: Bass clef, key of D major (two sharps), 4/4 time. The first measure starts with a forte (*f*) dynamic. The melody consists of eighth and quarter notes with various accidentals (sharps, naturals, flats) and slurs. The second system continues the melody. The third system includes dynamic markings: *sfz* (sforzando), *mf* (mezzo-forte), and *mp* (mezzo-piano), each with a wedge indicating a crescendo or decrescendo. The piece ends with a double bar line and the word "STOP" written vertically.

C2 (for section
trombonists)

♩ = 108 (Swing 8ths)

First system: Bass clef, key of D major (two sharps), 4/4 time. The first measure starts with a forte (*f*) dynamic. The melody consists of eighth and quarter notes with various accidentals (sharps, naturals, flats) and slurs. The second system continues the melody. The third system includes dynamic markings: *sfz* (sforzando), *mf* (mezzo-forte), and *mp* (mezzo-piano), each with a wedge indicating a crescendo or decrescendo. The piece ends with a double bar line and the word "STOP" written vertically.
