PROCESS FOR AWARDING SCHOLARSHIPS:

- The Director of the Valley Jazz Cooperative shall not be involved in the evaluation process beyond assessing the eligibility of each applicant to be considered for an award by confirming required and preferred application criteria for the adjudication panel.
- An adjudication panel of MSW Ministries staff shall be convened each year to evaluate all eligible applications. The adjudication panel shall rank these by merit, awarding VJC Scholarships to the individuals submitting the two most outstanding applications. The third VJC Scholarship shall be awarded as is necessary to fulfill desired diversity criteria (set forth below).
- The adjudication panel will work to ensure a more diverse scholarship recipient list. Toward that effort, unless it is impossible to do so with the pool of qualified, eligible applicants, scholarships awarded each year shall be made to at least:
 - 1) one female student,
 - 2) one male student,
 - 3) one current or former EVJC ensemble participant, and
 - 4) one current or former WVJC ensemble participant.
- If the first two VJC Scholarships awarded meet all four of the categories shown above, then the third-most outstanding application shall be awarded the remaining VJC Scholarship. If the first two VJC Scholarships awarded do not meet all four categories, then the third and final VJC Scholarship shall be awarded to the most outstanding applicant whose selection would allow all four categories to receive coverage (if possible, given the pool of qualified, eligible applicants).
- The announcement of scholarship award winners will occur no earlier than May 1st and no later than June 1st, each year.

MAINTAINING ANNUAL ELIGIBILITY:

- Scholarship recipients must maintain full-time student status (minimum of 24 credit hours completed each academic year) at an accredited 2- or 4-year college or university.
- Scholarship recipients must maintain the following cumulative post-secondary GPAs as measured at the end of the spring semester in order to continue to receive the award for the following academic year:
 - 1) a GPA of 2.75 at the conclusion of one's freshman year,
 - 2) a GPA of 2.875 at the conclusion of one's sophomore year, and
 - 3) a GPA of 3.0 at the conclusion of one's junior year.
- In order to facilitate continued support from this program, VJC Scholarship recipients must submit a copy of their most recent academic transcript (complete through the preceding spring term) to the VJC/MSW by August 1st, each year.
- Scholarship recipients must not publicly act in a manner that would damage, tarnish, or otherwise negatively impact the reputation and goodwill associated with the Valley Jazz Cooperative and MSW Ministries.

MAINTAINING ANNUAL ELIGIBILITY *(continued)*:

- Future scholarships will not be awarded to a recipient who fails to meet any of the eligibility standards articulated on the preceding page.
- Scholarship recipients who terminate their post-secondary studies mid-academic year will be required to refund 50% of their annual award (\$250.00) to MSW Ministries.

APPLICATION FORM:

- The following two pages in this packet constitute the official Application Form for the Valley Jazz Cooperative Scholarship Program. Please complete and submit the form as directed.
- The final two pages are an *optional* item: a Valley Jazz Cooperative Scholarship Program Letter of Recommendation form. Should the applicant ask a pastor/worship leader, teacher, project supervisor, or mentor to write in support of their VJCSP submission, the recommender can either use this form or provide their own letter.
